

STAGIVING DAY
ONE DAY
1 FAIRFIELD

WED | APRIL 6

WITH YOU **RUGBY**
AS ONE

FAIRFIELD RUGBY IS ON THE RISE.

Join us as we push your Red Ruggers forward on

STAGiving Day, Wednesday, April 6, 2022

Our rugby revolution continues on Grauert Field. This year, the women's team earned their third consecutive trip to nationals and the men's team achieved consecutive winning seasons and its best record since joining the Liberty Conference. But the best is yet to come! Your support gives student-athletes access to:

- **USA Rugby certified coaches and our new full-time Director of Rugby, Austin Ryan**
- **Supervised training at the Walsh Athletic Center**
- **Current use scholarships, financial aid, and high school recruiting**

This **STAGiving Day**, push your men's and women's Red Ruggers forward by making a gift at friendsoffairfieldrugby.org or fairfield.edu/giverugby.

No donation is too small, and you can direct how your donation is used to support the program. Gifts of \$1,000 or more through the University or the FOFR will be recognized for membership in The President's Circle.

MATCH YOUR GIFT!

If your employer has gift matching, it's an incredibly easy way to boost your support of the Fairfield Rugby Club. Matching gift donations must be made through the University directly. It makes a difference.

Thank you for making great rugby possible!
